- Computer Systems and Programming
- Intro to Cryptography
- Unix/Linux System Admin (Bash)
- Analysis of Algorithms (Python)
- Software Engineering
- Data Mining (Python)

EDUCATION

George Mason University, Fairfax, Virginia
B.S. Computer Science, December 2021
GPA: 3.88   Major GPA: 3.89
Northern Virginia Community College, Annandale, Virginia
A.S. Computer Science, May 2019
GPA: 3.88   Major GPA: 4.0

PERSONAL PROJECTS

Stock Game App (React, Bootstrap), August 2021
- Developed an app simulating a fluctuating stock for users to buy/sell
- Graphically displays price fluctuation as well as net worth history

Counter App (React, Bootstrap), June 2021
- Created an app allowing users to add items to "shopping cart"
- Simple project to learn the backbones of React

Personal Portfolio Website (HTML, CSS), May 2021
- Designed a personal portfolio website to showcase my resume and links to projects

Weather App (Weather API, HTML, CSS, JS), February 2021
- Developed a web app that fetches current weather conditions with zip codes from OpenWeather API
